

Appl. No. 10/680,092
Amendment dated: October 26, 2004
Reply to OA of: September 27, 2004

This listing of claims will replace all prior versions and listings of claims in the application.

Listing of Claims:

Claims 1-5(canceled).

6(original). A LED (light emitting diode) comprising a frame, said frame having a first leg and a second leg, a chip bonded to said first leg, an electrode wire connected between said chip and said second leg of said frame, and a packing material encapsulating said chip and said electrode wire, wherein said packing material comprises a first resin layer, a second resin layer, and a fluorescent layer sandwiched in between said first resin layer and said second resin layer.

7(original). The LED as claimed in claim 6, wherein said fluorescent layer is evenly sandwiched in between said first resin layer and said second resin layer.

8(original). The LED as claimed in claim 7, wherein said fluorescent layer is formed of fluorescent materials having different colors including yellow, pink, red, green, and blue.

9(original). The LED as claimed in claim 8, wherein said fluorescent materials are fluorescent powder.

10(original). The LED as claimed in claim 8, wherein said fluorescent materials are fluorescent chips.
